NAPA VALLEY

2016 Blind Justice Cabernet Sauvignon “Beckstoffer To Kalon Vineyard”

A pure expression of Napa Cabernet exclusively from Beckstoffer’s “To Kalon” vineyard. The true heartbeat of the famed Oakville appellation, this vineyard highlights the decadent essence of Napa Cabernet to perfection, with vines rooted in loamy alluvial soil that adds depth, nuance, and structure. An absolute stunner, and the flagship of the Justice offerings, this is the wine that epitomizes the adventurous and pioneering soul of the Napa Valley.

Inky purple in the glass, a classically aromatic bouquet of cassis, wild blackberries, dried red currants, spiced cherries, graphite, and crushed gravel lead into a full-bodied, beautifully balanced wine that is both undeniably sexy and sophisticated.

“Brought up 92% new French oak and from a gem of a valley floor site, the 2016 Cabernet Sauvignon Blind Justice Beckstoffer To Kalon Vineyard boasts a decadent bouquet of black fruits, scorched earth, graphite, and gravelly minerality. It’s powerful, concentrated, and locked and loaded on the palate, and it’s one of the more structured, tannic wines in the lineup from the Bounty Hunter team. Nevertheless, it’s almost off the charts with its potential. I followed this bottle for multiple days and it only impressed more and more with air. Give bottles 3-5 years and it’s going to cruise for 2-3 decades.” *January 31, 2019*

“Deep purple-black colored, the 2016 Cabernet Sauvignon Blind Justice Beckstoffer To Kalon Vineyard reveals a nose of crème de cassis, baked black cherries and plum preserves with touches of Chinese five spice, garrigue, incense and dusty soil. Full-bodied, rich and boldly fruited, the palate gives tons of spicy accents and a firm, grainy frame, finishing on a lingering peppery note.” *October 29, 2018*

“Bounty Hunter’s 2016 Cabernet Sauvignon Blind Justice Beckstoffer To Kalon Vineyard is powerful, dense and explosive in the glass. Black plum, grilled herb, menthol, licorice, graphite and bittersweet chocolate pulse through this dense, massively structured wine. I would give the 2016 a few years in bottle to come around. Even in the early going, the To Kalon is bold, dramatic and full of personality. It is another compelling wine in this range.” *December 2018*
